

**Capital Soccer**  
**COVID-19 Protocols**  
**Summer 2021**

## *Guidance issued by the State of Vermont*

- [Vermont Forward Phased Reopening Plan](#)
- [Health Guidance for Child Care & Out of School Programs](#)

## Capital Soccer Staff and Camp Coach Protocol

- Ensure the health and safety of the participants
- Track attendance daily
- Provide adequate spacing for social distancing
- Inquire how the athletes are feeling. Send home anyone you believe acts or look ill
- Take good care of the equipment
- Follow current masking guidance issued by the State of VT and Governor Scott's Office
- Follow current travel guidance issued by the State of VT and Governor Scott's Office
- Coaches should maintain social distance guidelines
- Have fun and stay positive—players and parents are looking to you for leadership
- Sanitize your equipment

## Camper Parent/Guardian Responsibilities

- Ensure your child is healthy and check your child's temperature daily before activities with others. Players with a temperature of 100.4 and above will not be permitted to attend
- Perform a health screen of your child daily, including temperature check, prior to camp.
- Follow current masking guidance issued by the State of VT and Governor Scott's Office
- Follow current travel guidance issued by the State of VT and Governor Scott's Office
- Do not bring your child to camp if they are experiencing any symptoms at all related to COVID
- Consider not carpooling or very limited carpooling
- Use social distancing when watching camp.
- Ensure all personal equipment is sanitized before and after every session
- Notify camp staff immediately if your child becomes ill for any reason
- Arrive on time. Pick up your child and depart on time. Do not be late. Thank you very much.

## Camper Responsibilities

- Follow current masking guidance issued by the State of VT and Governor Scott's Office
- Follow current travel guidance issued by the State of VT and Governor Scott's Office
- Clean hands thoroughly before and after camp
- No spitting
- Bring, and use, your own hand-sanitizer, frequently and often, while at camp
- Do not touch or share anyone else's equipment, water, snack, or bags
- Practice social distancing. Camper bags/backpacks will be spaced
- Wash and sanitize all personal equipment before and after each session
- No group celebrations, high 5's, hugs, handshakes, fist-bumps, etc
- Bring a minimum of two, 32 ounce containers of water each day. We highly encourage bringing **more** water than you would assume one might need. Bring a healthy snack
